**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 CFR §1.137(b)**

Dear Sir:

Applicants respectfully submit that the entire delay in filing the required reply until the filing of a grantable petition pursuant to 37 CFR §1.137(b) was unintentional and petition for the revival of the above-identified application.

In an office communication from the PTO dated August 22, 2002, a Notice of Abandonment was issued for the above-referenced case. (Exhibit 1) The undersigned received a facsimile copy of the Notice of Abandonment from the Johnson & Johnson,

Petition to Revive under 37 CFR §1.137(b)

New Brunswick, NJ headquarters on April 11, 2003 as noted on Exhibit 1. On that same date, April 11, 2003, the undersigned received a facsimile copy of a Notice to File Missing Parts for the above-referenced application. (Exhibit 2) The Notice to File Missing Parts was mailed from the USPTO on June 28, 2001. The Notice to File Missing Parts was never entered into the Johnson & Johnson patent docketing system due to an unintentional error. This is evidenced by the handwritten note at the bottom of Exhibit 2 stating: "Verne, this was never docketed. It was attached to the filing receipt [sic] notice of abandonment rec'd [sic] Please advise. Ceil"

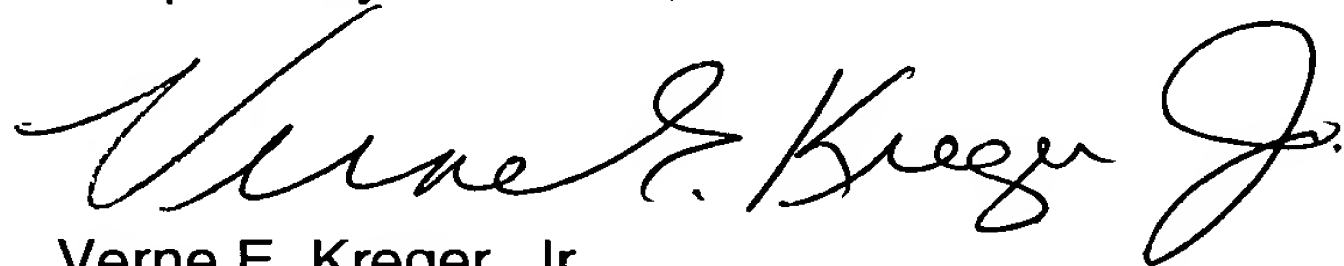

The undersigned does not have a personal docketing system and relies on the Johnson & Johnson central docketing system for notice of actions due. Since the action to file missing parts was inadvertently not docketed, a response was unintentionally not timely filed.

The signed Declaration in response to the Notice to File Missing Parts is attached hereto.

A terminal disclaimer is not required since the application was filed after June 8, 1995.

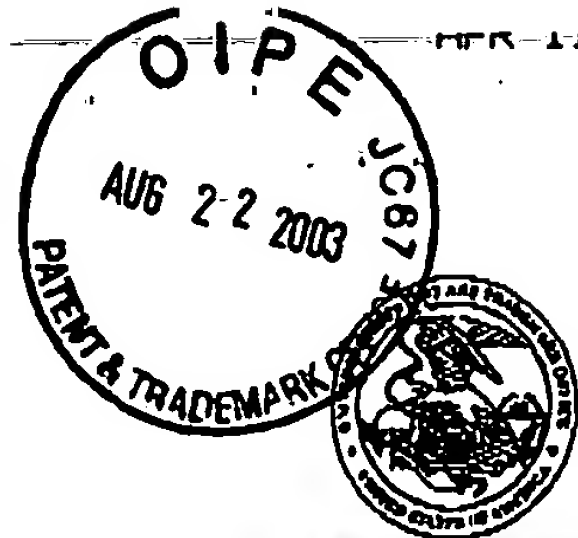

The Commissioner is hereby authorized to charge the petition fee under 37 CFR 1.17(m) of \$ 1,300.00, and any additional fees, which may be required, to Account No. 10-0750/END-755/VEK. This Authorization is being submitted in triplicate.

Respectfully submitted,
